CORRESPONDENCE

Solar Radar Speed Limit Signs

A picture of the first installed solar speed limit sign by the public works garage was passed around. Vice-President Long had someone question her at the fire hall if PennDOT could put another speed limit sign up on West State Street for the people that come flying in. Locations were discussed and an update will be included in the December newsletter.

Climavision Weather Radar – Installation Documentation

Complete documents of the installation and tank inspection were received. Councilwoman McMunn saw the drone view of the new radar system on Erie News now. President Crawford's brother let him know he heard the excitement about it on a news show as well. On WSEE, the Mayor had seen multiple times how the station workers are so excited to see it when snow is seen in the atmosphere.

Comments & Concerns

Councilwoman McMunn

At the recent election, Councilwoman McMunn was approached with a complaint on the old Bea Metzger property on North Main Street. There is trash, a couch in the front yard, a fire truck, and a bus in the yard all around the trailer. The complainant and three others wanted her to see if there was anything the Council could do.

Vice-President Long reported that people put signs out by Dollar General and by the school and someone had called because their signs had been taken down. She called and Secretary Durstine that earlier in the week had one of the people whose signs were taken call in and reported the signs were taken down by PennDOT since they were in their right-of-way. Bazaar signs had not been taken down in the past but political signs were. The person that had originally called in spoke to someone at the barracks on Shreve Run Road and was forwarded to PennDOT to retrieve their signs. A notice will be put in the December newsletter.
